Operation Feed Fido Hold Harmless Agreement

I _____ understand that the Friends For the Dearborn Animal Shelter, this program, or its affiliates cannot guarantee the brand, type, or quality of the food given to me. I also understand that in the event my pet develops a medical condition in whole or in part by the food provided I agree to release all liability from the Friends For the Dearborn Animal Shelter, this program, or its affiliates. I also understand that it is my responsibility to pick up the food from the shelter on the scheduled days. Furthermore I understand that this program only supplements my pet food/litter supply and agree I cannot depend on this program to fulfill the dietary needs of my pet(s). I also understand that I may only receive support when the supply allows and support is given on a first-come, first-served basis. I also agree to the terms of this program listed separately on the "Terms of this Program" sheet. Finally, in the event my current situation changes and I am in no longer need of this program I will at that time withdraw from this program.

I agree and will adhere to the above along with any other policies that apply to this program.
