About Friends for Animals

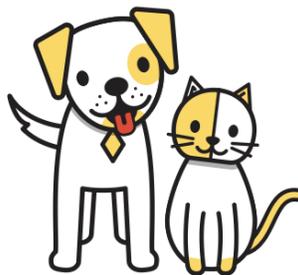

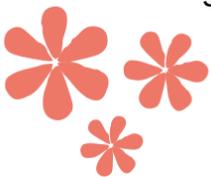

Friends for Animals is a 501(c)(3) nonprofit founded in 1996 and located in Dearborn, Michigan. For 30 years, we've been dedicated to rescuing, protecting, and adopting companion animals while strengthening the human–animal bond throughout our community. Each year, we invest an average of \$1,000 per animal in medical care, daily enrichment, and sheltering while pets await adoption. Your ticket and sponsorship help cover the real cost of lifesaving—so every guest and sponsor becomes part of an animal's journey home.
