CATS MAX & FERGUS LOOKING FOR A NEW HOME AFTER LOSING OWNER TO COVID-19

DEARBORN. April 27, 2020 - Friends for Animals of Metro Detroit (FAMD) is looking to find a new home for two cats, Max & Fergus, who came to the shelter after their owner passed away from COVID-19.

Max & Fergus were owned by a nurse, who bravely cared for gravely ill patients, and died after contracting COVID-19. It was very obvious she loved her cats dearly. With no family available to care for them, the two brothers ended up at FAMD. When the cats arrived at FAMD, all recommended precautions were taken to ensure they were safe, healthy, and did not put any other animals or staff at risk. Neither Max nor Fergus ever showed any symptoms of the disease, have completed their quarantine, and are now ready to find a home together.

Max and Fergus are both 6-years old, sweet, loving and gentle boys who are both front declawed, and have lived together indoors their entire lives. If at all possible, we would love for them to go home together as a pair, and are offering a waived adoption fee on the second cat when you adopt both. You can view Max and Fergus on our website at <https://www.metrodetroitanimals.org/adopt-a-pet/> or call 313.943.2697 ext. 6001 to set up an appointment to meet them. Due to the Stay at Home, Stay Safe order, adoptions are currently by appointment only. To donate to help care for Max, Fergus and the other animals at FAMD, you can visit <https://www.metrodetroitanimals.org/help/>.

About FAMD

After more than 27 years of nurturing more than 59,000 animals, Friends for Animals of Metro Detroit has embarked on the second phase of their “More Love than Humanly Possible” capital campaign to construct Phase Two of their complex, an addition to the MaryAnn Wright Animal Adoption & Education Center. For more information about FAMD, a 501(c)3 organization, visit [metrodetroitanimals.org](https://www.metrodetroitanimals.org).
