FOR IMMEDIATE RELEASE

**WITH ONLY TWO KENNEL SPACES LEFT, FRIENDS FOR ANIMALS OF METRO DETROIT IS AT CAPACITY
AND RUNNING MARCH ADOPTION SPECIALS**

DEARBORN March 15, 2024 – Help Friends for Animals of Metro Detroit get their population down by springing a pet out of the shelter! They have 54 dogs and 43 cats currently available for adoption, including nine long-term dogs that have all been at the shelter for over two months. Adult dogs, 20 lbs. and up, are \$50 and all cats are \$25. Adoption specials do not include \$10 microchip registration. This offer runs until March 31, so head over to metrodetroitanimals.org/adopt-a-pet/ to learn more about adopting!

The organization is looking for adopters to open their hearts to welcoming a new furry friend into their homes. Adopting an animal offers one animal the opportunity for a second chance in a new home and another animal the chance to find one!

The MaryAnn Wright Animal Adoption and Education Center is located at 16121 Reckinger Road in Dearborn and is open Tuesday – Sunday, 10 a.m. – Noon and 1 – 4 p.m. The Center is closed on Monday.

Last year, Friends for Animals reunited or found successful forever homes for over 2,500 animals; reuniting 202 lost pets with their owners; and through foster families, were able to give extra love and care to 707 dogs and cats.

If you'd like to make a donation to Friends for Animals for any of the 2,500 animals that are cared for each year, please visit <https://www.metrodetroitanimals.org>.

Friends for Animals is a 501c3 organization and is located at 16121 Reckinger in Dearborn. Friends for Animals of Metro Detroit is dedicated to the rescue, protection, and adoption of companion animals in need, while inspiring the human-animal bond. Friends for Animals of Metro Detroit was founded in 1993 by inspired volunteers who believed that homeless animals in our region deserve a second chance at life. Building on our strong sense of animal welfare, Friends for Animals has grown in the past 30 years to an organization of great impact in the companion animal welfare community.
