FELINE FUND AND FRIENDS FOR ANIMALS OF METRO DETROIT HOST “CHANGE A CAT’S LIFE DAY,” OFFERING FREE CAT ADOPTIONS

Dearborn, MICH. January 15, 2026 – Friends for Animals will partner with Feline Fund for “Change a Cats Life Day,” a special adoption event, offering free adoptions for all cats. The event takes place on Saturday, January 24, from noon to 4 p.m. at Friends for Animals of Metro Detroit’s MaryAnn Wright Animal Adoption and Education Center, located at 16121 Reckinger Road in Dearborn.

By covering adoption fees for every cat adopted that day, Feline Fund is helping remove financial barriers to adoption, while advancing its mission to reduce the number of cats entering shelters. Each adoption creates a meaningful impact not only for the cat going home, but also for future cats waiting for care and placement.

“This collaboration with Feline Fund comes at a vital time for our organization. Many adult cats in our care have been waiting for months for adoption, while we also prepare for the spring and summer kitten season, which brings nearly 700 kittens through our doors each year. We are grateful to Tara Tomcsik and Feline Fund for their support and look forward to a day that will make a meaningful difference in the lives of these cats who deserve their second chance,” said Cory Keller, President and CEO.

Together with Feline Fund, Friends for Animals of Metro Detroit continues to provide cats of all ages with the opportunity to find the families they deserve. These organizations are working to reduce shelter overcrowding and increase positive outcomes for cats of all ages.
