**Friends for Animals of Metro Detroit Celebrates National Adopt-a-Shelter-Cat Month
with \$5 Cat and Kitten Adoptions Throughout the Month of June**

**Adoption promotion made possible through support from the Delmar and Audria M. Olson Family
Foundation and the Feline Fund**

May 27, 2026 - Dearborn, MI: In celebration of National Adopt-a-Shelter-Cat Month this June, Friends for Animals of Metro Detroit (FAMD) is making it easier than ever for families to welcome a feline companion home. **Throughout the entire month of June, all cat and kitten adoption fees will be just \$5 thanks to the generous sponsorship of 100 cat and kitten adoptions by the Delmar and Audria M. Olson Family Foundation and the Feline Fund.**

The month-long initiative aims to help more cats and kittens find loving homes during one of the busiest intake seasons for shelters nationwide. Every adoption includes age-appropriate vaccinations, spay/neuter surgery, and a lifetime of love from a new furry family member.

"Kitten season brings an influx of vulnerable cats and kittens into shelters, and community support is critical during this time," shared Cory Keller, President & CEO of FAMD. "Thanks to the incredible generosity of the Delmar and Audria M. Olson Family Foundation and the Feline Fund, we are able to remove financial barriers and help more animals find the loving homes they deserve."

National Adopt-a-Shelter-Cat Month is recognized each June to raise awareness about the thousands of cats and kittens waiting in shelters for permanent homes. Friends for Animals of Metro Detroit encourages community members to visit the shelter, meet adoptable cats of all ages and personalities, and experience the joy of adoption.

Whether someone is looking for a playful kitten, a bonded pair, or a laid-back adult cat, there is a feline companion waiting for a second chance.
