**Friends for Animals of Metro Detroit Partners with Feline Fund
To Offer \$5 Cat and Kitten Adoptions Throughout the Month of July**

June 30, 2026 - Dearborn, MI: Friends for Animals of Metro Detroit (FAMD) is making it easier than ever for families to welcome a feline companion home. **Starting this Sunday, July 5, all cat and kitten adoption fees will be just \$5 thanks to the generous sponsorship of 100 cat and kitten adoptions by the Feline Fund.**

The month-long initiative aims to help more cats and kittens find loving homes during one of the busiest intake seasons for shelters nationwide. Every adoption includes age-appropriate vaccinations, spay/neuter surgery, and a lifetime of love from a new furry family member.

“With over 225 cats and kittens in our care, and more coming through our doors every day, community support is critical during this time,” shared Cory Keller, President & CEO of FAMD. “Thanks to the incredible generosity of the Delmar and Audria M. Olson Family Foundation and the Feline Fund, we are able to remove financial barriers and help more animals find the loving homes they deserve.”

Friends for Animals of Metro Detroit encourages community members to visit the shelter, from noon – 4 p.m. Wednesday – Sunday, meet adoptable cats of all ages and personalities, and experience the joy of adoption.

Whether someone is looking for a playful kitten, a bonded pair, or a laid-back adult cat, there is a feline companion waiting for a second chance.
